THE NINETEEN: TEN CHURCH STORY

nineteen:ten church was planted in 2006 with a team of 57 dreamers. The church spent two years meeting in a local middle school, but quickly outgrew the facility with service size and children's ministry. In the next several years, nineteen:ten was afforded the opportunity to utilize a new high school facility in Boerne where growth continued and ministries expanded. In 2010, the church was blessed to purchase 30 acres where the existing buildings sit today in the hill country of Boerne, Texas. Today, nineteen:ten welcomes hundreds of people for its weekend gatherings. Founding Pastors Jason and Angie Brown continue to serve as Lead Pastor and Women's Pastor. As the church moves forward, there is much excitement for continued growth in both the digital and in-person worship experiences.
