CHURCH OF THE KING STORY

Church of the King was founded in 1999 by Pastor Steve and his wife, Jennifer. With 19 people in attendance, Church of the King held its first service in a small church in Mandeville, Louisiana. Within a few months, the church moved into a commercial office space to accommodate the rapid growth. At the end of the first year, the weekend attendance had grown to over 450 people. The church continued to grow, and in the spring of 2001 purchased the Adventure Skate building on the northeast corner of Interstate 12 and Highway 59 in Mandeville. After a four-month renovation to convert the “skating rink” into a 1,000-seat auditorium, the church held its first service just two days prior to the tragic events of September 11, 2001.

Since then, the church has grown every year, creating a demand for more facility space. On the weekend of November 8-9, 2013, we had the privilege to move into our brand-new, 2,700-seat, 120,000 square-foot church home.

Since the beginning of our main campus, we have continued to expand our impact throughout the region with church campuses in Baton Rouge, LA; Bay St. Louis, MS; Biloxi, MS; Kenner, LA; and, our newest location, in Peachtree City, GA. This in addition to our growing online campus and TV broadcast ministry. We are One Church with Multiple Locations.

Over the years, Church of the King has continued to grow in its weekend attendance and regional impact. Now in the second decade of its existence, the church has grown to more than 8,000 people in attendance on the weekends. Church of the King offers contemporary weekend worship services that are alive with energy, creativity, and Bible-based teaching, including dynamic and engaging children’s ministry. Timely and relevant youth ministry services are available for Junior High and High School students on Wednesday nights.

In 2011, Church of the King launched the South Shore Campus with just 100 People. Since then, the campus has multiplied with over 1000 in regular weekend attendance. In 2018, God opened the door for us to purchase and renovate a former movie theater adjacent to the Esplanade mall in Kenner, which is now our West Esplanade Campus. This new church home allows us to provide impactful ministry to our community and beyond. Our campus pastor is Dave Madden, who’s been a part of Church of the King since 2008.
