THE ONE* CHURCH STORY

In September of 2006, ONE* Church officially launched in Spokane Valley. The name ONE* comes from Ephesians 4:4-6, “There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all.” This has shaped who they are as a church.

ONE* has made it their mission to build a vibrant, active community of Christ-followers around their core values. They welcome un-churched people to their family and provide a safe and comfortable place to explore faith. ONE* provides clear steps for connection that removes some of the confusion and intimidation that can come from starting fresh in a new church environment.

As this life-giving church continues to grow and expand their reach throughout greater Spokane, the real story of ONE*'s history is comprised of individual stories of lives who have been changed by the power of Jesus. With a mission to help people find and follow Jesus Christ, hundreds of people respond to Christ each year. Many then get engaged in the mission and give sacrificially of their time, their talents, and their treasure to help fulfill the mission of ONE*. With multiple community partners, ONE* is reaching the community in unique and strategic ways. ONE* is a multi-site church that meets at two different locations on Sunday mornings in Spokane Valley and Mead. They also have additional gatherings and outreach opportunities each week through Celebrate Recovery, prison ministry, and a food pantry that feeds up to 1,200 people each month at their outreach campus which is also located in Mead. This is an amazing time to become part of a dynamic and growing team of people who are passionately and courageously engaging their culture for Jesus!
