THE FAITH FAMILY STORY

Since the beginning of Faith Family Church, just over seven years ago, over 34,000 people have come to know Christ or rededicated their lives to Him in our services. In addition to that, we have reached people in our city and around the world through our outreaches, small groups, weekend services, and local, national, and international mission efforts. Countless lives have been changed forever through Jesus! God has exceeded our expectations time and time again and we truly believe God is just getting started.

We are committed to seeking God in a fresh way so we can continue impacting the lives of others, as well as future generations to come. We know that we serve a “No Limits” kind of God! He has proven that through Faith Family Church. As we have prayed, served, and given sacrificially, God has taken our efforts and blessed them like only He can.

More than ever before, our world needs Jesus and we believe that God wants to continue to use Faith Family Church to be a light in the darkness. We will always say YES to wherever he leads!

BAYTOWN, TEXAS

Baytown, Texas sits on the northern shore of Galveston Bay between the San Jacinto and Trinity Rivers. The Baytown region includes Chambers County and part of Harris County, home to the city of Houston. The bright lights of Houston are an easy, thirty-minute drive away and a major influence on life in this community. World-class corporations, cultural attractions, an endless menu of great restaurants, and major league sports teams are always nearby.

The Baytown Tourism Office promotes the region as "Family, History and Nature, Together," and that's the truth. Ask Baytown natives why they love living here and the answers reflect classic, American values. "Great schools for my kids." "I love to go bird watching." "Real Texas hospitality every day."
